PARCEL 2 OAK GROVE

— ALBANY —
OR

FARM | TIMBER | HOMES | RANCHES | LAND | LUXURY

INTRODUCTION

Situated on the peaceful outskirts of North Albany in Benton County, this 2 ± acre parcel (Parcel ID 015887) offers level ground with highly productive Woodburn and Waldo soils, ideal for farming or future development. Zoned Exclusive Farm Use (EFU), the property has a strong agricultural foundation, historically producing crops such as meadow foam and grass seed. Its unique location directly bordering Oak Grove Elementary School provides both convenience and community connection, while still maintaining the quiet, rural character of the surrounding farmland. With 110 power at the street and the property currently in process under Measure 49, this acreage presents a versatile opportunity in a sought-after North Albany setting.

LOCATION

North Albany and the wider Benton County area are celebrated for their scenic beauty and recreational opportunities. Just minutes from the Willamette River, residents can enjoy boating, kayaking, and fishing, while nearby parks and nature trails offer year-round hiking and wildlife viewing. The rolling hills and fertile farmland surrounding North Albany provide a picturesque backdrop, dotted with vineyards, orchards, and grass seed fields. With Corvallis only a short drive away, the area also benefits from the cultural and educational amenities of Oregon State University, while still maintaining the peaceful, rural character that makes Benton County such a sought-after place to live.

ALL PROPERTY INFORMATION INCLUDING BUT NOT LIMITED TO LAND CLASSIFICATION, CARRYING CAPACITIES, MAPS, ETC., IS INTENDED ONLY AS A GENERAL GUIDELINE AND HAS BEEN PROVIDED BY THE OWNERS AND OTHER SOURCES DEEMED RELIABLE, BUT THE ACCURACY CANNOT BE GUARANTEED. PROSPECTIVE PURCHASERS ARE ENCOURAGED TO RESEARCH THE INFORMATION TO THEIR OWN SATISFACTION.

OPPORTUNITY

This property presents a unique opportunity under Oregon's Measure 49, which provides certain landowners with relief from restrictive land use regulations. Situated in North Albany on the Benton County side, the parcel enjoys a highly desirable location—close to town amenities yet surrounded by the quiet, open character of the Willamette Valley. With the county's review of the Measure 49 claim currently in progress, successful completion could authorize home site development on this EFU-zoned acreage, creating the chance to build your dream residence in a serene rural setting. Depending on county approval, Measure 49 may also expand allowable property uses or secure development rights with future value, making this a rare blend of location, opportunity, and flexibility.

Date issued: 12/02/2025**Application status:** Site Evaluation Approved**Work description:** 450' Standard Trenches (24" min & 24" max depth) - PARCEL 2**Drainfield type:**

Standard

Standard

Conditions of approval:

1. All requirements of Oregon Administrative Rules (OAR) Chapter 340, Divisions 071 and 073 apply.
2. Plan all structures so that roof drains and foundation drains are diverted away from the septic tank and drainfield area.
3. Maintain all DEQ required setbacks including 100' to any wells, springs, or year round surface public waters; 50' to any seasonal waters, cutbanks, or escarpments; 10' to any waterlines, underground utility lines, foundation lines or property lines.
4. Initial and replacement disposal areas shall not be subjected to vehicular traffic, livestock or other activity that would adversely affect the soil (OAR 340-71-220(1)(h)).
5. Enclosure: Plot Plan, Setbacks, Drinking Water Requirements, Procedures for Obtaining a Site Approval and an Installation Permit for New Lot Developments

THIS IS NOT YOUR PERMIT. A Construction/Installation permit is required before you construct your system. Please contact this office when you are ready to apply for a construction/installation permit. We cannot sign off on any Building Codes forms until we issue your permit.

This site approval runs with the land and will automatically benefit subsequent owners. This site approval is valid until the approved system is constructed under a DEQ construction permit or unless the site is altered without approval from this office. Alterations/excavations/lot line adjustments made to the site, or placement of wells or utilities, etc., may invalidate this approval.

If you disagree with the decision of this report, you may apply for a site evaluation report review. The application for a site evaluation report review must be submitted to DEQ in writing within 60 days after the site evaluation report issue date and must include the site evaluation review fee in OAR 340-071-0140 Table 9A. A senior DEQ staff person will be assigned the site evaluation report review application.

You may apply for a variance to the onsite wastewater treatment system rules. The variance application must include a copy of the site evaluation report, plans and specifications for the proposed system, specify the rule(s) to which a variance is being requested, demonstrate the variance is warranted, and include the variance fee in OAR 340-071-140 Table 9C. A variance may only be granted if the variance officer determines that strict compliance with a rule is inappropriate or special physical conditions render strict compliance unreasonable, burdensome or impractical. A senior DEQ variance officer will be assigned the variance application.

Critical Warning Regarding Seller Impersonation in Real Estate Transactions

FRAUDSTERS are **impersonating property owners** to illegally sell real property. Sophisticated fraudsters are using the real property owner's Social Security and driver's license numbers in the transaction, as well as legitimate notary credentials, which may be applied without the notary's knowledge.

Fraudsters prefer to use email and text messages to communicate, allowing them to mask themselves and commit crime from any location.

IMPORTANT NOTE: Some imposters are changing the mailing address where the tax bill is sent **PRIOR** to selling the property out from the legitimate owner. Contact the tax collector's office to find out if the subject property has had a recent address change.

Be on the lookout for red flags.

WHEN A PROPERTY:

- Is vacant or non-owner occupied, such as investment property, vacation property, or rental property
- Has a different address than the owner's address or tax mailing address
- Has no outstanding mortgage or liens
- Is for sale or sold below market value

WHEN A SELLER:

- Wants a quick sale, generally in less than three weeks, and may not negotiate fees
- Wants a cash buyer
- Is refusing to attend the signing and claims to be out of state or country
- Is difficult to reach via phone and only wants to communicate by text or email, or refuses to meet via video call
- Demands proceeds be wired
- Refuses or is unable to complete multifactor authentication or identity verification
- Wants to use their own notary

Where approved by state regulators, consumers can purchase the American Land Title Association (ALTA) Homeowner's Policy of Title Insurance for additional fraud protection. Connect with your Fidelity National Title escrow team for full details.

**If you suspect that a scam is in effect,
immediately report it to local law
enforcement and file a complaint with
the FBI Internet Crime Complaint Center.**
